Where everyday living comes together on your doorstep.

Smiths Lane is a thoughtfully designed community where everyday convenience, nature, and social connection come together. With parks, playgrounds, sports facilities, walking and cycling trails, and a future town centre at its heart, residents enjoy a lifestyle that balances relaxation and activity. Education is a cornerstone, with schools and childcare close by, while local shopping, dining, and easy transport connections make life simple and enjoyable. It's a neighbourhood that feels welcoming, vibrant, and built for the future.

This masterplan was prepared on May 2024 for the information of prospective purchasers only and is subject to change. Construction of the Local Town Centre and Future Primary School may be ongoing at time of settlement of your lot. Purchasers must make and rely on their own enquiries. To the extent of inconsistency between this masterplan and the conditions of the Contract For Sale of Land relating to the lots, the Contract For Sale takes precedence in all instances. The location of roads and drainage structures, utility services, including sewer lines shown on the plan are based on design information only. The final position of utility services 'as constructed' may vary from these locations. The depiction of landscaping, footpath paving, street tree planting, the embellishment of parks, playgrounds and alike on the plan is indicative only and are subject to change. The depictions on the plan do not necessarily reflect final designs which require the input and approval of various authorities.
